

I AM MINE

By Pearl Jam

The selfish, they're all standing in line
Faithless and hoping to buy themselves
time

Me, I figure as each breath goes by
I only own my mind

The north is to south what the clock is to
time

There's east and there's west and there's
everywhere life

I know I was born and I know that I'll die
The in between is mine....I am mine

And the feeling, it gets left behind

All the innocence lost at one time

Significant, behind the eyes

There's no need to hide,....We're safe
tonight

The ocean is full cause everyone's crying
The full moon is looking for friends at
high tide

The sorrow grows bigger when the sorrow's
denied

I only know my mind....I am mine

And the meaning, it gets left behind

All the innocence lost at one time

Significant, behind the eyes

There's no need to hide,....We're safe
tonight

And the feelings that get left behind

All the innocence broken with lies

Significance, between the lines

We may need to hide

And the meanings that get left behind

All the innocence lost at one time

We're all different behind the eyes

There's no need to hide
