

Stand

performed by REM

[chorus]

Stand in the place where you live (Now face North)
Think about direction wonder why you haven't

Now stand in the place where you work (Now face West)
Think about the place where you live wonder why you haven't before

If you are confused check with the sun
Carry a compass to help you along
Your feet are going to be on the ground
Your head is there to move you around

[chorus]

Your feet are going to be on the ground
Your head is there to move you around
If wishes were trees the trees would be falling
Listen to reason, season is calling

[chorus]

If wishes were trees the trees would be falling
Listen to reason, reason is calling
Your feet are going to be on the ground
Your head is there to move you around

So Stand (stand Now face North)
Think about direction, wonder why you haven't before

Now stand (stand Now face West)
Think about the place where you live wonder why you haven't

[chorus]

Stand in the place where you are (Now face North)
Stand in the place where you are (Now face West)

Stand in the place where you are (Your feet are going to be on the ground)
Stand in the place where you are (Your head is there to move you around)

So stand!
